

The last time we took a team to Ecuador we saw God work among the Indian pastors during our conference in the Quito area. We have been asked to return in March of 2010 to further train those pastors as well as to conduct a conference in a rural area which has not yet ever received this type of training. It is possible to take them meaningful training in these difficult economic times. I have asked for a no-frills conference budget which would not sacrifice the quality of the training. We are prepared to hold both conferences within a budget of \$3,000.00. Your help in meeting this budget will assist us in impacting the discipleship of literally thousands in that spiritually hungry land.

## RADIO

In addition, opportunities continue to present themselves for the expansion of the Grand Old Gospel Hour overseas. We look forward to being on the air with ELWA in West Africa by the end of the year. Please pray that God will pave the way for the radio ministry to broadcast the Gospel all over the globe till the whole world hears the good news of our Lord Jesus and His gift of salvation. The proclamation of the gospel has been at the core of our mission since the early days of the ministry in the 1960's.

## PRAYER

Lastly, continue to pray that God will provide for Philadelphia Bible Fellowship as they seek to settle on a building in the Lawncrest area of Philadelphia. This will be a great encouragement to the saints gathering there as they impact that community for Christ. It is rewarding to see the churches established and reaching our cities with a local expression of the body of Christ.

**SPECIAL THANKS**

The mission of GOGF Ministries is Planting Churches, Preparing Leaders, and Proclaiming the Gospel. It only happens as Christians who care partner with us to provide the financial and prayer support that can keep the work going. Please don't assume that somebody else will do it. During these days of recession and high unemployment many who used to stand with us are unable to give. My prayer is that if God has blessed you that you will stand in the gap as a Prayer Fellowship Partner and fill out the form below to let us know that you will be there as God enables. Whatever God leads you to do on behalf of the ministry is greatly appreciated.

As our thank you gift for your financial support just ask for our CD or cassette entitled "What the Bible says about how you feel" when you write. I am sure that you will be blessed as you listen to this relevant teaching.

*Thank you for your support,*
