

*H*appy Holidays! Thanksgiving begins a special time of year when we take stock of our blessings and seek to share God's blessings with our loved ones. The commercialism and marketing which surrounds the end of the year has turned the blessings of the season into a curse for many as they overspend and pile up debt. In all of this extravagance it is easy for the One whose gifts we express gratitude for and, whose birthday we celebrate, to get lost in the shuffle. How is it that the God we say we love and His Kingdom that we serve have been dropped off of our list of gifts? I plead with you along with all others who are in service for the King, and who are in need of your support, to remember Jesus as we close this year.

GOGF Ministries has much to be grateful for this year. We have impacted the ministries of over 500 pastors in India and Liberia this year at our training conferences. We support 26 orphans in the Hart Children's Homes in Andre Pradesh, and continue to support the orphans in Jamaica. We have blessed over 200 couples this year with our Ten Commandments Marriage Seminars. The response to the seminar has been heart warming and encouraging as we move into a new year. We have seen new radio outlets for the Grand Old Gospel Hour in West Africa and Trinidad. The blessings continue as we witness the goodness of God flow to the churches in our fellowship. We praise God for the permanent homes provided for Epiphany Fellowship and Philadelphia Bible Fellowship as they have settled this year on property to be used to impact their communities for Christ. All I can say as I recount our blessings is that God is indeed a Good God. I am humbled to have been used in so many ways to impact the Kingdom of God. I am also grateful for the conclusion of a long journey in completing my Doctor of Ministry this year at the Biblical Theological Seminary. And last but not least, I was able to see my first book published entitled "Winning Is Everything".

As I look at all the ministry that has been accomplished this year, I am amazed that we have been able to do what has been done on such a low budget. GOGF Ministries is one of the best investments into ministry with one of the lowest overheads. I am supported by the Montco Bible Fellowship where I pastor so I do not take a salary from the GOGF. As you consider giving a special gift at the end of this year, please pray about partnering with us as a faithful Prayer Fellowship Partner. You can fill out the form and send it in, encouraging us with your intention to stand with us as we seek to Plant Churches, Prepare Leaders, and Proclaim the Gospel, Til The Whole World Hears.

CONSIDER THIS
 You can give
 without loving,
But it's impossible to
 love without giving.

Please pray for the GOGF Ministries that God will raise up those who will help us to reach the goal of (\$40,000) forty thousand dollars by the end of the year in order to finish the year in the black and without debt. For each of us individually it sounds like a big number but for God it is a small thing. If each of us would do our part we could take care of the obligations of this year and give us a good start on our mission next year and til the whole world hears. Will you at least pray?

Then if the Lord leads you to support us financially, we want to thank you by sending you the book *“Jesus The Light of the World”* which includes *The Christmas Story*. Please write and ask for it. It is our way of thanking you for your partnership with us in the ministry.

Thank you for your support,
