Let me take this opportunity to extend our prayer that all of you as our partners have a very healthy and joyous Christmas season and New Year. Since the Lord works through the generosity of His people to accomplish the mission that He has entrusted to us, we pray for God's blessing to be on you in the coming year.

If God has blessed you during this time of economic recession and high unemployment then I ask you to please consider making a special gift as we close the year. Our goal is to eliminate our debt and begin the New Year having met all of our obligations. You can help us reach this goal with a gift to the work of the Lord this Christmas season. After all it is the birth of Christ that we celebrate and so with all of our gift giving lets not forget to give to Jesus through the various ministries that are continuing His work.

Please take a minute and visit our Facebook page to see the pictures from our trip to Israel. Carol can be seen on a camel and the whole group is seen in the land where our Lord lived and taught. Join Facebook and become a fan of GOGF and keep up with all the latest news from the ministry. The website www.gogf.org is also a good place to not only get the newsletter but also listen to the radio program, watch GOGF-TV, make secure online donations, and order resources not found anywhere else.

SPECIAL THANKS

As our thank you gift for your financial support, just ask for the book entitled "Jesus the Light of the World".

Thank you for your support,
