

HAPPY★NEW★YEAR

May God bless you all with a happy and prosperous New Year. I am so grateful to God for all of the support that we have received from the Lord's people. The blessings of last year give me the courage to face the challenges of the New Year ahead. There are several open doors for our ministry and if we all stand together in prayer and support as God enables, I am confident that we will be enabled to serve the Church of God around the world and see His hand at work through this ministry.

We are currently planning for two pastoral training conferences in Ecuador during a trip March 15-25, 2010. We are also opening it up for those interested in joining us. This mission will be an opportunity for some of you to participate in a short-term mission experience. If you are unable to go, you can partner with us through your sacrificial gifts to underwrite the mission.

The month of March will also mark the first convention of churches, partners & friends of our fellowship. We plan this one-day convention for Saturday, March 13, 2010 which is open to everyone, and will be held at the Dolce Hotel near historic Valley Forge, PA. We have a great line up of speakers, musicians, and workshops that will be a blessing to all who attend. Call our office for a brochure and additional information. You can call the hotel directly, (610) 337-1200 for room reservations.

As you can see, we jumped into the New Year with much to do and much to pray for. This includes the mission to Uganda in June, which takes the place of the previously scheduled mission trip to Trinidad with the choir that was originally planned for June. My daughter is expecting a baby in early July and my wife Carol, who directs the choir, does not want to be far away so close to our daughter's due date. I plan on returning to Uganda in early June to teach, and Lord willing I'll be back in time for our second grandbaby's arrival.

Please pray for us as we seek to be obedient to God's call. I believe that God will not call us to go and not provide the means to do His will. I also understand that God uses His people to provide the necessary funds. All I can do is to ask each of you who care about this ministry to pray and seek God's will as to how you can participate with our mission of planting churches, preparing leaders, and proclaiming the Gospel. As a thank you gift for your support we will send you a CD of the message entitled "*Profile of a man God uses*". Just write and ask for it along with your donation.
