

Newsletter

Ready or not here we come! That was how we began the games of hide and seek as children. It brought with it a certain amount of anticipation and thrill. We never knew where the game would lead us but we just began to follow the clues of sounds and giggles until they lead you to the ones hiding. That feeling of anticipation, not knowing where the Lord will lead and how He will accomplish the mission with us is how we are feeling as we enter the ministry this year.

I have the opportunity to speak to the students of Tennessee Temple University on March 2 while I am in Tennessee for the National Religious Broadcasters Convention in Nashville. A week after I return we dive right into the first GOGF Convention of the churches in our fellowship. This is shaping up to be a great time of spiritual renewal and unity among the believers coming from the north and south along the eastern seaboard where our US church planting efforts have focused. Please pray with us that this gathering will be a time when God touches the hearts of men and women and blesses the ministry of GOGF. If you would like to join us all the info is available at our website and rooms are available at the beautifully new renovated Dolce Hotel near Valley Forge PA.

The next week I am off to the mountain ranges of Ecuador in South America. Two leadership sessions are being planned and material is being translated into Spanish. These pastors love the Lord and desire to serve Him. They only need training that we take for granted in our bible schools and seminaries. As you partner with me you become a vital part of strengthening the leadership of those churches in Ecuador. If you have seen the movie "End of the Spear", you understand that taking the gospel to many parts of that country cost missionaries their lives. Today the church of Jesus Christ is poised to become a real force in that society and with a little of our help they can be equipped to meet the challenges that they face. Please pray and please support us as we go to teach March 15-25.

Then I am home for a couple months as Montco Bible Fellowship celebrates its 30th anniversary with a banquet on April 17th. God has blessed me with a home assembly that has been so supportive of taking the gospel not only to our Jerusalem and Samaria, but also to the uttermost parts of the world. I wish every church could catch the vision of how God can use us both locally and internationally.

Uganda in East Africa is where the team will be headed in June. We are recruiting help to join us as we go to serve the pastors there and also to conduct a gospel crusade each evening. If the Lord is calling you to Africa then respond by calling us. The dates are June 14-25, 2010. All the rest of the info is available upon request.

Dr. Tony Hart, President

Thank you for your prayers regarding the expansion of our radio ministry in North Africa. We began airing the Grand Old Gospel Hour on ELWA from Liberia West Africa on Sunday Feb. 7, 2010. Please continue to pray and stand with us as we take the gospel by radio to people that need the Lord.

Special Thanks

As our way of saying thank you, we are offering for the month of February a timely message by Dr. Tony Hart entitled: **"Profile Of A Man God Uses"**. If your desire is to be used of God, this message will give you insights into the character of the person God chooses to use. Send us your request along with a gift of any size, and specify either the MP3 or CD format. May God richly bless you as you continue to further His Kingdom.
