Here we go! Back to the beginning of my years of Pastoral Training. It was 1996 and I was asked to travel with another ministry to Mbale, Uganda East Africa to teach at a Pastors conference and preach the Gospel in a united crusade. Now thirteen years later after four conferences in various cities in Uganda I get to go back to Mbale and minister to the pastors there and preach the gospel to the people of that region. Please pray that the churches there will be blessed and that many souls will come to a saving knowledge of Christ. It was in Mbale that a young teenage girl accepted the Lord and I was told that she would be kicked out of her Islamic family and her parents would no longer pay her school fees. Can you imagine the courage of a young person to take such a stand for Jesus at such a high price? We still need about two thousand dollars to meet the budget for this mission trip. There are three of us on the team including one of our pastors from North Carolina and a brother from our fellowship in Lansdale, PA.

Marriage Seminar

One of the ways that God has been using to introduce GOGF to new supporters is through our marriage seminars. Please find enclosed the flyer which can be used to introduce the seminar to the leaders at your church. If there are couples in your assembly that could use good biblical counsel based on the Ten Commandments, then simply call our office and we would be glad to set a time to bring this valuable ministry to your church. If you have any questions about the seminar don't hesitate to ask.

RADIO

The radio ministry is in dire need of the support of God's people. I recognize that many are unemployed and many more are underemployed and having a hard time making ends meet at home. In addition each of our churches are asking for increased financial commitments. In this difficult environment I am asking those of you who are able to please pray about standing with us as a prayer fellowship partner. Partners are those Christians who give and pray on a regular monthly basis as the Lord enables. If you are not able to give right now please pray that God will raise up the supporters for the ministry that will enable us to meet our commitments and continue to spread the gospel around the world by radio.

GOLF

June 14, 2010 is the date for our annual "Whole In One" Golf Tournament. Please mark the date and register for the tournament immediately so that we can plan effectively for the best day ever. It has always been a good time of fellowship and this year promises to have great prizes as well as an informative challenge toward missions. Gather a foursome and call our office to reserve your place in the shotgun scramble outing.

Special Thanks Gift

As a thank you for your support for the ministry we will send you, your choice of a copy of my book "**Winning Is Everything**", or if you already have one just ask for a copy of "**A Passion For Prayer**" by Tom Elliff.
