

When you think about the children of Israel on their wilderness journey, you realize that just like us they were on a walk through the fog. They never knew when the cloud would move and they would have to pack up and travel. They never knew exactly what direction the cloud would lead them toward. It was a journey of faith and willingness to follow where ever God leads. As we approach the fog of the unknown in this New Year we also must be willing to follow God with the same faith. It is the only way to experience the promised land of God's will for our lives. Our natural desire to understand and to plan every detail often leaves little room for God to lead us.

My prayer for this ministry as well as all of us in our individual lives is to always be trusting and willing to follow God's leading. While we have plans and goals for this year, let's stay open to where the cloud of the Spirit of God is leading us. It is then that we will experience that good, acceptable, and perfect will of God

*Dr. Tony Hart, President*

### Church Plants

GOGF celebrates with Epiphany Fellowship and Pastor Eric Mason over the planting of a new work, Epiphany Fellowship Camden, across the river from Philadelphia in Camden, New Jersey. They have just secured a lease on property where they have begun to meet. The facility provides enough space to minister to the community as well as to the saints in the church family. Please pray for Pastor Doug Logan and Epiphany Fellowship in Camden, New Jersey. Camden is one of the most difficult cities in the country to reach.

Also continue to pray for Pastor Derek Bell and Living Hope Church working in Norristown, PA. They began meeting this past summer and God has blessed them with believers who have joined hands with them to reach that needy community.

### Scholarships

It is our pleasure to provide scholarship help to needy students that are training for full-time Christian Ministry. It can be in Music, Missions, or Pastoral ministry. There have been scholarships given to qualified students since 1985, the year after the tragic death of my younger brother Bradley and his wife Ferne. Ever since that unforgettable day, we have sought to honor their memory with the Brad-Ferne Hart Memorial Scholarship Fund.

Your contributions to the fund will allow us to continue to provide help to these students. Today there are pastors and missionaries that were helped to complete their education because of the generosity of the Lord's people given through the scholarships of this fund.

## Prayer

In order to continue to follow the path that God has laid out for us, we depend on the obedience of the Lord's people as they are prompted to give in support of our mission. Planting churches, Preparing Leaders, and Proclaiming the Gospel is what God has called us to do. For the last fifty years God has faithfully enabled us to follow his calling. In this New year we need the Lord to lay on the hearts of a new generation of to join the faithful servants who have stood by us and provided the resources needed to continue. If you would write to us and encourage us with a special donation we will express our gratitude as you ask for a copy of a three CD set of messages entitled "Spiritual Warfare."

## Missions

The plans are being laid for a Pastoral Training Conference in Monrovia, Liberia in March. This will be our second conference in this war torn nation that is still recovering from the ravages of corruption and tribal fighting. There has been much progress there and the church has to lead the way in the building of a moral and just society. We can play an important role by equipping the pastors and training them to be the kind of leaders that will impact the culture and plant the seeds of the Kingdom of God in the country. You may not be able to go with us but you can still be a vital part of the team with your generous contributions to the mission. We need your support this month in order to pay the advance expenses incurred in planning such a needed conference.

The mission to Liberia will also include an evangelistic outreach. At our crusades we have seen hundreds of people come to Christ and become added to the churches there. Please pray that the Holy Spirit will be at work in the hearts of people even before we arrive so that when they hear the good news of the Gospel they will respond with faith in our Lord Jesus Christ.

## Dates

Liberia	March 12-22, 2012	\$1,500
Dominican Republic	June 25 - July 5, 2012	\$1,500
